

Invitation to the 1st Future Ocean Postdoc Event

Networking and professional exchange of postdocs

The Future Ocean Network organizes a Postdoc Event every first Friday of the month, from 11:00-12:00h.

The aim of the event series is to enable networking and professional exchange among interested postdocs of all faculties and partner institutions. In these events early career academics in leading positions will present their professional development, working methods and fields of research.

5 February 2021: 11:00 to ca. 12:00 h, virtual event

Christian Baatz is opening the Future Ocean Postdoc Event series.

With a background in environmental sciences, Christian Baatz moved to Kiel University in 2012 to finish his PhD and to work as a researcher and lecturer at the Department of Philosophy. From 2013 to 2017 he was also part of the German Research Foundation's Priority Program "Climate Engineering: Risks, Challenges, Opportunities?" (SPP 1689) and led a postdoc project within the Cluster of Excellence "The Future Ocean" from 2017 to 2019. In 2020 he received funding from the German Federal Ministry of Education and established a new working group on Climate Ethics, Sustainability and Global Justice at the Department of Philosophy, which he is now leading.

For access details please contact: info@futureocean.org.

For further information please contact:

Dr. Christel van den Bogaard
Head of Postdoc Academic Career Support Center, GEOMAR
dbogaard@geomar.de

or

Dr. Nicole Schmidt
Managing Director of Kiel Marine Science (KMS)
nschmidt@kms.uni-kiel.de

We are looking forward to an exciting virtual exchange.
