Consent / Agreement by applicant (and parents):

We hereby consent to my submitted data being stored for the purposes of selection. Application data will be deleted 3 months after the application deadline.

I confirm that I will be able to attend the summer school on each work day during the designated time.

We are aware that participation in the summer school will involve the use of video conferencing software (e.g. Zoom), social media (e.g. WhatsApp) and other digital tools. Some of these tools may be running on servers located outside the European Union.

As part of the selection procedure, I may be invited to a brief interview in a telephone call or video conference. We hereby confirm our consent to this interview.

Note on Data Protection:

All data submitted as part of the application will only be made available to members of the selection committee for Ocean@Home. This information will only be used for the purpose of selecting and contacting the candidates for the summer school. Applications will be stored for 3 months after the application deadline to allow contact with candidates if replacements for cancelled participations become necessary.
