The regulations serve to protect the employees of GEOMAR and the external company employees as well as visitors staying in the GEOMAR properties. These regulations are binding!

Access for the public is generally prohibited. Please contact your link person before entering the building and let yourself be picked up at the entrance.

Entering the building is prohibited if there are signs of a respiratory illness (cough, runny nose, fever, shivering frost, etc.).

When entering the building, hands must be disinfected (dispensers are located at each building entrance). Do not use gestures of greeting such as shaking hands. Wash your hands regularly and thoroughly with soap and water (30 seconds).

When staying on the GEOMAR premises, you are required to wear a face mask. The mask must be worn in all public areas (hallways, foyers, etc.) and wherever a distance of 1.5 m from other people cannot be safely maintained. Use surgical masks or FFP2 masks.

External persons must register themselves in a list of visitors (surname, first name, company name, availability by telephone and details of the person visited) and confirm receipt of this instruction with their signature. If the information is refused, it is not possible to enter the building.

Always remember to sneeze and cough etiquette. Sneeze / cough into the crook of your elbow or into a fresh, disposable handkerchief. Immediately dispose of the tissue in a closed trash can and wash your hands. Do not touch your face with your hands.

Maintain a minimum distance of 1.5 m from all people. Use elevators only on your own. Avoid crowds.

If symptoms of illness set in while working on the GEOMAR, please contact your Host as well as the occupational safety immediately (arbeitssicherheit@geomar.de). After that the building must be vacated and a doctor should be contacted.

After completing the work, call your contact person to cancel.
