

<b>Module Name</b>	<b>New Developments in Marine Microbiology I</b>	
<b>Module Number</b>	MNF-bioc-272	
<b>Person in Charge</b>	Prof. Dr. Ute Hentschel Humeida Phone: +49-(0)431-600-4480, E-mail: uhentschel@geomar.de	
<b>Semester / Duration</b>	2. semester / one semester	<b>Status</b> Optional
<b>Regular Cycle</b>	Summer semester	
<b>Study Programme</b>	Master of Science in Biological Oceanography	
<b>Classes</b>	<b>Class Title (Teaching Form) Lecturers</b>	<b>Contact Time / Group Size</b>
	<u>New Developments in Marine Microbiology</u> (Seminar) Prof. Dr. Ute Hentschel Humeida	2 hrs per week / 10 students
<b>Credit Points / Workload</b>	2 ECTS / 60 hours	
<b>Prerequisites</b>	A bachelor's degree in a biological discipline. Basics in marine microbiology.	
<b>Completion Module</b>	None.	
<b>Following Module</b>	None.	
<b>Educational Objectives</b>	Presentation of literature and own results.	
<b>Content of Teaching</b>	Discussion of new developments in Marine Microbiology.	
<b>Examination</b>	OP graded.	
<b>Literature</b>	None.	
<b>Additional Information</b>	None.
